I authorize GMB TECHNOLOGIES and its authorized partners to publish, display, present, distribute, and share my employment profile with potential employers and authorized recruitment partners through websites, recruitment portals, databases, internal management systems, mobile applications, digital platforms, and other recruitment-related channels.

I understand and agree that my information may be transferred internationally where necessary for recruitment, visa processing, travel arrangements, employment placement, or related activities.

I confirm that all information and documents provided by me are true, accurate, complete, and submitted voluntarily. I understand that providing false, misleading, incomplete, or fraudulent information may result in rejection of my application, cancellation of recruitment procedures, visa-related consequences, or loss of employment opportunities.

I understand and agree that registration, profile publication, participation in recruitment activities, visa processing, or inclusion in the platform do not guarantee employment, employer selection, visa approval, travel arrangements, salary levels, working conditions, or placement opportunities. Final decisions are made solely by employers, recruitment agencies, nursing corporations, government authorities, embassies, consulates, and other relevant third parties.

I acknowledge that GMB TECHNOLOGIES operates solely as a technology platform provider and is not an employer, nursing corporation, recruitment agency, immigration authority, government authority, healthcare provider, or visa authority.
